OLD TIMER OF THE WEEK

This week's honored employee ROBERT MULVIHILL started to work at Bradley on June 24, 1952 after fulfilling his military obligation and working for the Railway Express Co. He started in Inspection, worked briefly in Continental Motors and then went to Time Study where he remained until June of 1972 when he was named Supervisor of Dept. 15A. He has been on exempt (supervisory) status since October 26, 1964.

During World War II BOB entered the U.S. Navy and spent almost four years in service with two years sea duty in the Pacific mostly aboard a destroyer. While the war was still on his ship was engaged mostly in anti-submarine activity. After it ended, BOB's ship brought returning servicemen home.

BOB and his wife LEOLA celebrated their twenty-fifth anniversary last year and have three children. Oldest son Ronnie just out of the Navy was married last Saturday, he works for Commonwealth Edison Co. Daughter Madonna is in nurses training at St. Anthony Hospital in Rockford. Youngest son Gary is a senior at Eastridge High School.

This Old Timer's principal hobby is officiating and for many years he has worked high school football, basketball and baseball, having achieved Certified Status in the Illinois H.S. Association. An avid golfer he plays regularly in the plant league and is associated on a part time basis with the Oak Springs Golf Club.

BOAT SHOW

The 49th Annual Chicago Boat and Sports Show will be held from Feb. 9 to Feb. 18 at McCormick Place. Saturday, February 17, has been designated Roper Day and on that day any of our employees who care to attend can get in for 1/2 price. A good supply of these \$1.00 tickets are available in the Personnel Office and can be picked up by any employees who want them.

We extend sincere sympathy to Foreman LONNY ANDERSON on the death of his father.

IT HAPPENS ON MONDAY "BOWLING THAT IS" BY HAROLD SIEFERT

What difference a few weeks make. If you recall the final standings of the first half it was "Welders" on top and "Cutting-In" on the bottom. But today things are different, and the worm has turned as they say. The "Welders" are finding the second half much tougher because they are now resting on the bottom and those "Cutting-In" boys are on top. That "old" pro WILLARD ESSINGTON has begun to come around after a slow start and he again led his team this week with a good 543 series.

For the eleven boys who rolled a 500 series it was a very pleasant Tuesday morn, but the rest of us would just as soon forget what happens on Mondays.

Those "Cutting-In" boys are really rolling along now, and proved it by knocking off the first half winners, the "Welders" four points, the "Machine Shop" also took care of the "Truckers", beating them all four points the "Forgers" clipped "Stores" for three points, and "Assembly" slowed down the "Tool Room" boys for three points.

The boys who made the paper today are RAY MCNASH 212, ED BAKER 524, GABE KEROUAC 200-523, FRANK OVNICH 500, BOB CRAWFORD 528, DALE GRAF, 511, JOE COTE 521, LARRY DAVIS 523, WILL ESSINGTON 543, HANK REITMEIER 202-515, GALE ALBERS 549 and ERNIE PERKINS 201-542.

BASKETBALL

The Roper Bradley Basketball team continued it's winning ways last Wednesday by defeating Armour 59-46. RANDY CLAYPOOL was high for the Bradleyans with 14 points. Coach TOMMY BROWN informs us that Thursday, Feb. 1 the team will play a crucial game against Kankakee State but it will not be possible to have the result in time for this week's issue.
