DONALD HISEL	20 Years D/25	4-02-53
JESSIE BATES	3rd Shift Foreman	4-23-53

ROPER SCHOLARSHIPS

The Corporate offices of Roper have released the names of the recipients of this year's Special Scholarships through National Merit granted by the Roper Foundation.

We at the Bradley Division are very fortunate this year as four sons and daughters of Bradley employees have been awarded the coveted scholarships. The fortunate Bradleys are as follows:

1. Nancy Kirchner of Bonfield, daughter of ESTHER KIRCHNER of Accounting. Nancy is a Senior at Herscher High School and is the third Kirchner sister in as many years to be a winner. Unlike her two older sisters who attend the U. of Illinois, Nancy favors North Central College at Naperville, Illinois.
2. Anne Padwojski of Bourbonnais, daughter of JOHN PADWOJSKI, Lab Supervisor. Anne is a Senior at Bishop McNamara High School and is interested in a degree in Nursing at Illinois Wesleyan University.
3. Kathleen Legris of St. Anne, daughter of RICHARD LEGRIS of Inspection. Kathleen also is a Senior at McNamara and would like to further her studies at Illinois State University at Normal with an eye to becoming a Medical Technologist.
4. David Gromer, of Papineau son of JACK GROMER, newly appointed foreman in D/35 second shift. David, a Senior at Donovan High School, plans to attend the University of Illinois in Champaign.

OLD TIMER OF THE WEEK

This week we honor **MATHAN MARTELL**, a native of Beaverville now living in St. Anne, who farmed for a living before coming to work at Bradley on February 23, 1953. He started for Tony in Stores, and then went to the Warehouse and Machine Shop before finding his niche on the Paint Line where he has been for the last fifteen years.

MATHAN was too young for World War II but was just right for the Korean conflict and spent two years in the Army just before coming here to Bradley. Fortunately his entire military career was spent at Fort Monmouth, New Jersey where he was an M.P. He was discharged as a P.F.C.

MATHAN and his wife **MARGENE** have been married almost twenty-three years and have three daughters. Linda 21 lives in Kankakee and works for United Parents an organization dealing with the education of exceptional children. Donna 17 and Pam 14 attend McNamara High School and St. Anne Grade School respectively. Donna is a Junior and Pam an 8th grader.

This Old Timer is a camper and gardener in his spare time and is an avid basketball fan on the High School and grade school level.

"Last week, three of our own salesmen called on us."

IT HAPPENS ON MONDAYS
"BOWLING THAT IS" BY HAROLD SIEFERT

If **JOE COTE** doesn't accomplish another thing this year, he can say that he was the only one on April 2nd on our 28th night, that managed a 200 game. And in fact he was. **JOE** got a 205 game. That should give some indication of what kind of a night it was. Alot was going on alright, but most of it was bad, as far as most of us were concerned. I thought we all came to "bowl", and I hope next week we will.

FRANK WASETIS was the only one to pick up a split which doesn't begin to tell the story of how many there were that weren't made, and there were plenty.

"Assembly" was a four point winner, sending the "Stores" team home empty handed, the "Truckers" did the same thing to the "Welders", the "Cutting In" team took three away from "Machine Shop", and the "Forgers" had the high series for the night but could only take three points away from the "Tool Room" with it in a close series.

Good games and series were **JOE COTE** 205-503, **PETE GERACI** 508, **TONY STANISEZSKI** 519, **DALE GRAF** 529, **HANK REITMEIER** 523, **FRANK WASETIS** 541, **JERRY GLEASON** 526, **LARRY DAVIS** 505, **JULIUS MEYER** 505, and **WILLARD ESSINGTON** 525. **FRANK WASETIS** picked up the 3-7 split.

1973 SOFTBALL

Roper Bradley will field a softball team again this year in the Industrial League and new recruits are welcome. Employees interested in trying out for the team are requested to contact **BILLY BROWN** or **TOMMY BROWN** or sign one of the notices on the bulletin boards.

Custom may lead a man into many errors, but it justifies none.

—HENRY FIELDING.
